### Ivory Coast and Togo

Lord willing, I will be heading to Ivory Coast and Togo on March 15 for three weeks. Please be in prayer for safety and strength for myself in Africa and for Melissa and the kids as they stay in France. I will be preaching in several ministries while in Africa. Please pray that God's Word proclaimed would be a blessing to the believers. I will also have the opportunity to teach a week of class in Bingerville where Bob Mach has served for many years. Pray that the Lord would give His wisdom and guidance as I have a chance to share with these African pastors and future pastors.

What a wonderful privilege it is to serve the Lord on the mission field! As the world seems to be getting over Covid, there is again another crisis that has risen its ugly head. Please pray that the war in Ukraine would not cause any greater difficulty for western Europe than just prices increasing. The price of a gallon of regular unleaded is roughly \$8.08. God is good! He has always and will always take care of His children. We are trusting Him during this time of uncertainty.

Our church over that last several months has been through a difficult time because of family and health problems. It has been several months since we have seen all of the church family together for one service. This past Sunday, we had about 75% of the people together. What a great blessing it was of fellowship! Please pray that the Lord would place His healing hand on those who are suffering.

Even though many are struggling, the ministries of the church continue. It has been a great blessing to see 20-25 kids for the Bible club and 8-10 for Youth group regularly. Pray that we would be able to restart the different outreaches that were forced to stop because of Covid. Pray that the church would look out toward those who need to hear of our Savior instead of in on itself.
