## PRAISES and REQUESTS

---

---

- Praise the Lord that we were not seriously sick when we contracted COVID-19.
- Praise the Lord that the people in the church who have been sick with COVID-19 have not had major health problems.
- Pray that as we continue to reach out into the community with the Gospel that we would see souls saved.
- Pray that the people that were helped through the food drive at the church would be tender to the Gospel.
- Pray for safety as we continue to serve the Lord on the mission field.
- Pray that the Lord would continue to provide for our spiritual, physical and financial needs, as He has always done.

### COVID-19

As with most of the world at this point, France is continuing to struggle with COVID-19. We all contracted the virus the end of October, but praise the Lord that we did not have any major symptoms other than a runny nose and the loss of taste and smell. That has not been the case with some of the church. Please pray that we would soon be able to restart a < normal > life again in the church and in our personal lives. France went into a lockdown beginning of November 2020 and eased the lockdown right before Christmas. Pray that all the restrictions would be removed as quickly as possible to not hinder the ministry and the preaching of the Gospel.

## THE · PRICE · UPDATE

### January - February 2021

What an amazing and wonderful life it is to serving the Lord in France! Even though 2020 was a year unlike any other, there have been many blessing and highlights in the ministry. It has been a joy to see God working the lives of the people of the church and also through unsaved contacts. Who would have ever thought that through a pandemic, we would continue to see souls saved and new contacts come to the church? God is truly a God of grace and mercy.

Pray that as we seek new means of reaching out to the lost that we would be encouraged by souls being saved for His glory. I have recently been spending time with several men (hiking, renovations, projects, etc.) and pray that through these different opportunities, I would see them come to a saving knowledge of Christ. Pray also that we would be able to restart some of the regular activities of the church (Bible club, etc.) so that we can continue to impact the lives of the lost with the Gospel.
