

## THE · PRICE · UPDATE

### March - April 2016

Thank you for your faithful prayers and support for the ministry in France. The last several months, we have seen several blessings, and also several trials. The special revival meetings in February were a great blessing with good attendance for most meetings. As a result, there is a mother and

daughter who come to church each Sunday. Please pray that the Lord would continue to work in their hearts and lives. One trial that we are experiencing is that two people have recently left the church because of sin. Please pray that the Lord would convict them, and that they would return and walk faithfully with the Lord. Another trial that we faced recently was that the mayor of Luchon, where we started services a year ago, no

longer wanted us meeting in the facilities of the city. We praise the Lord that though we were told we would no longer be able to meet where we had been, the Lord answered our prayers. We now have access to the meeting room for another year. Another trial that we

are facing is that Melissa will have knee surgery on April 13. She developed a problem a couple months ago and the specialist said that surgery would be needed. Please pray that she would recover quickly.

### PRAISES and REQUESTS

- Praise the Lord for all the children who are coming to the Bible club.
- Praise the Lord that we were able to continue meeting in the same facility in Luchon.
- Praise the Lord for the mother and daughter who are coming to church faithfully.
- Pray that we would see souls saved for Christ.
- Pray for spiritual maturity in the church.
- Pray for Melissa's surgery that will be on 4/13.
- Pray for a potential intern coming this summer.
- Pray for our personal financial support.

### Music Outreach

Please be in prayer for us as we prepare for a music evangelistic outreach on the 16th of April. A choir from another church will be coming to perform a concert at the church. We are already getting invitations out and will be putting posters up around town. Please pray that God would work mightily during this time. Last year, a lady accepted Christ as her Savior as a result of another music outreach.
