We praise the Lord for the many blessings that He has given us over the last several months. The Lord has worked in the hearts of several of the church in Saint-Gaudens to begin discipleship lessons to

prepare for baptism. What a great blessing to see people desiring to grow closer to the Lord! Another blessing has been to see the services in Luchon continue throughout the summer months. Though several have been on vacation, the work has continued. Please pray that we would see souls saved through this effort. Another blessing was to see the responses from the tract distribution at the Tour de France. Several people have asked for Bibles to be sent to them. Please pray these people would be able to join a church in the area that they live. None of the contacts made

Evangelistic Outreaches

During the next couple months, we will continue to reach out into the community to share the Gospel message. During the first two weekends of September, we will be going to the city festival to hand out tracts and share our faith with those who are willing to listen. We will also have a game night in our church at the end of the month. This is a time when the people of the church are encouraged to invite their family and friends to come.
