## Conferences and Classes

Please be in prayer for me specifically during the month of November. I will be teaching in a Bible institute and two different churches during a two week period. I will be teaching a class in systematic theology. Pray that it would encourage the students and equip them for their future ministries. Please also pray that as I meet the students at the Bible institute that there might be the possibility to recruit an intern for next summer. Please be in prayer also for the conference that I will be giving on relationships in the family, that it would be an encouragement and a help to the people who hear it. Pray specifically that the Lord would lead during the meetings.

## THE · PRICE · UPDATE

### September - October 2019

What a busy and wonderful time it has been serving the Lord on the mission field. Since our last prayer letter, we have had two baptisms, an evangelistic outreach at the Tour de France, VBS, a missions team and many other activities that have kept us extremely busy. It has been a great blessing to see God working in and through each activity so that the Gospel of Jesus Christ would be proclaimed to the lost in our region.

School restarted at the beginning of September and with each new school year, the activities and outreaches of the church recommence as well. Please be in prayer for the children's Bible club, that we would see souls saved, and that new families sending their children will learn about the Lord. Please pray for the men's prayer breakfast, ladies' prayer meeting, Bible studies, Bible stand, the ministry in Luchon, etc.

Each activity is geared to either reaching the lost for Christ or helping believers grow in their spiritual walk with God. Please pray that we would be able to continue to see the ministry grow for His glory.
