

THE · PRICE · UPDATE

September - October 2016

PRAISES and REQUESTS

- Praise the Lord for the visitors at the Bible Expo.
- Praise the Lord for the recent visitors at church.
- Praise the Lord for Romuald (past intern) and Katherine who have come to help with the Bible Expo.
- Pray for those who have left the church for work related reasons that others would replace them.
- Pray that we would be able to purchase the church building.
- Pray for the weekend conference on the “role of the man according to the Bible.”
- Pray for the services at Luchon that we will not lose the meeting room.
- Pray for the salvation of the lost.

Bible Expo

As I write this prayer letter, we are having a Bible Expo at the church. Through this outreach, we are able to attract those who may be interested in the historical aspects of God’s Word and present them with the Gospel. We have been encouraged by the good turnout that we have had so far with 10 - 15 visits per day. Please pray that as we continue with this outreach, and also show a documentary about the Bible that God would work in the hearts of those who hear the Gospel.

Thank you for your prayers and support for the ministry in France. We are truly blessed by your encouragement in the ministry. We have been staying busy and have had the opportunity to travel lately serving in different capacities in other ministries. What a great blessing to see God’s family serving the Lord with a whole heart in other faithful ministries.

Please pray as I will be speaking in a church in Strasbourg the first weekend of October on the role of the man. Pray that this opportunity would encourage the church and the men, specifically in their role as men.

Our family experienced a big change this year. Karis has started school for the first time. Please pray that we would be able to develop friendships with the other families who send their children to the school, and that this would give us more opportunities to share God’s love with the lost.

We are facing the possibility of losing the meeting room at the end of the year in Luchon. We have heard that we might not be able to renew the contract with the Mayor’s office for the meeting room at the end of the year.

First day at school

Ladies Meeting
