Furlough (July-August 2023)

Please be in prayer for us as we begin to plan for a short furlough next summer. Some have already reached out to schedule a visit for us to share how God is working in the ministry in France. If it would be a blessing, please contact us to schedule a time when we can come and share. Praise the Lord that a student at the Bible institute will be able to step in for the two months that we will be in the US. Pray that the Lord would provide for the needs for this big trip.

Family Camp

This summer was quite busy and we are enjoying getting back in the swing of the school routine. Please pray that this year would go well for Karis and Ian. What a great blessing it was to see so many children hear the Gospel whether it was at VBS or family camp. This autumn is shaping up to be a busy time also. Praise the Lord for these different opportunities to serve our great Savior! I will be teaching a class on the Synoptic Gospels during the week of 9/19. We will be involved in a choir camp again this year 10/23-10/29. Please pray that the concert and the recording to produce a CD would go well. On the same trip, we will head to Paris where I will be speaking in a conference and also be involved in several business meetings. As we are involved in these different activities, please pray that the Lord would also continue to work through the church in Saint-Gaudens, that we would see spiritual growth and souls saved as we reach out with the Gospel.
