Ivory Coast

What a blessing it was to spend 12 days in the Ivory Coast! It was a wonderful time teaching through the epistles of Hebrews and James in the Bible college in Bingerville. Please pray for the students that the Lord would use them in a mightily to reach west Africa with the Gospel message. Pray also that the Lord would direct as I prepare to return in November 2023 for a pastor's conference in Togo and also teach a class on Romans in the Bible college in the Ivory Coast.

What an amazing life it is serving the Lord on the mission field. It is not always easy but fulfilling in so many ways. Praise the Lord that there was no opposition to our income coming from the US. Thank you for your prayers, the Lord answered! Please be in prayer now for the new declaration to be recognised as a church. Everything was submitted and we are waiting for a response by the end of April. Please pray that in the future, these new obligations would not be a difficulty for the church.

The church in Saint-Gaudens is in the middle of a remodel. We have expanded the sanctuary. It has been needed for a while in order to fit everyone comfortably. Pray that we will be faced with the need to move to two services to get everyone in to the church building. What a great « problem » that would be!

In May, I will be teaching at the Bible institut in France. Pray for wisdom as I teach a class on the major cults.
