September - October 2023

PRAISES and REQUESTS

- Praise the Lord for safety while traveling during furlough.
- Praise the Lord for how He was working in the church during our absence.
- Praise the Lord for the baptism on 9/3.
- Praise the Lord for the new couples in church.
- Pray for my trip to Ivory Coast and Togo in November.
- Pray for the preparation for the family conference that will take place in December.
- Pray for the salvation of souls.
- Pray for safety as the children are in school.
- Pray for maturity in the church.

What an amazing Lord we serve! God faithfully provided for our two month furlough in so many amazing ways. It was a great blessing to be able to share what the Lord is doing in France in 23 different churches during those two months. We drove roughly 7,500 miles to see family, friends and churches and through those many miles the Lord gave us safety. Karis and Ian were old enough to appreciate life in America and truly enjoyed new experiences while in the US.

As we readjust to our life in France, please be in prayer for the family, ministry and church. The next several months will be full of activities. Please pray for Karis and Ian as they had their first day of school on 9/4. Pray for the kids club, youth group, soul winning, men's and women's fellowship, to just name a few, that the Lord would use these times to encourage the believers and that they would grow in Him.

While we were gone...

While we were in the US, the Lord continued to work in the church and bless. It was exciting to see pictures that the people of the church sent while we were gone and see what was happening. Two couples begun attending the church while we were in the US. It was encouraging to meet them in person as we had been communicating with them via email during the summer. Pray that they would grow in the Lord and that one of the men would come to know the Lord personally.
