- Praise the Lord for the recent visitors at church.
- Pray for our visa renewal.
- Pray that there will not be any opposition from the French government concerning our income.
- Pray for class preparation.
- Pray for souls to be saved.
- Pray for spiritual maturity within the church.
- Pray for the Family Conference (Jan. 26-28).

As we begin 2024, we look back at what has been accomplished in 2023 and we can only say, “Praise the Lord!” God has been so good to us and to the ministry in Saint Gaudens. As we look forward to 2024, we can only say, “By God’s grace!” Pray with us that the Lord would continue to open doors to reach the lost for Christ. Pray that whether it is through the regular church activities such as our weekly services, Bible club, youth group, soul winning and men and ladies meetings that God would use these activities to help grow the church in spiritual maturity. Please also pray for the outreaches such as the Olympics and the Tour de France that souls would be saved.

Please pray that there would be no difficulties for the annual income declaration to the French government. The government has two months to oppose if they no longer like that our income is from overseas. Please also pray as we begin our visa renewal, that there would not be difficulties.

### **Bible Institute**

Over the Spring semester, I will be teaching two classes at the Bible Institute in France and one in Ivory Coast. Pray that the Lord would give wisdom in preparing the classes and in the classroom. I will be teaching the book of Romans in Ivory Coast, and the doctrine of Angels and the Synoptic Gospels in France. Pray that the interaction with the students would be an encouragement to them and possibly lead to finding a co-worker for the church of Saint Gaudens.
