- Praise the Lord for safety while traveling to and from different conferences.
- Praise the Lord that there was no opposition to our income by the French government.
- Pray for two young people who are considering baptism.
- Pray for souls to be saved.
- Pray for my trip to Ivory Coast (3/23-3/30)
- Pray for the two weeks of teaching at the Bible college in France. (4/8-4/20)

Praise the Lord for all the opportunities that He gives to serve Him! Sometimes, there is the feeling of being overwhelmed by all the “work”, but what an amazing God we serve. Not only does He give us the opportunities to serve, but also the means to do so. As with any ministry, at times it seems like we are not making any headway and even going backwards. If we take a step back and look at what God has accomplished over the last year, we are encouraged to see what He is doing. We would love to see more people receive Christ, attend church, and get baptized, but we also know that as we faithfully minister according to His will, we will see fruit.

Please pray for several families of the church who are going through difficult times due to health problems. Pray that God would place His healing hand on them. Please pray that God would provide more servants in the church. With the church growing, we need more volunteers. Pray also for the two weeks that I will be teaching at the French Bible college in April

### Ivory Coast

Please be in prayer for my trip to Ivory Coast at the end of March. Pray that as I teach through the book of Romans, that the Lord would use this time to strengthen the students in their understanding of this key doctrinal book. Pray that the Lord would provide traveling mercies to and from Ivory Coast. Pray also that the Lord would keep our family safe while I am absent. Several men of the church are taking more responsibilities while I am away during this trip, please pray that they would be encouraged in the opportunity to serve and have a desire to continue to do so.
