- Pray for growth at the church, that God would continue to bring spiritual majority.

What a wonderful blessing it is to be able to serve the Lord on the mission field. It has been encouraging to see the men of the church slowly but surely taking on leadership roles. Pray that they would continue to grow and that this would open doors for greater outreach.

We were truly blessed to have a work team come from a supporting church to help with renovations in the church. The upstairs shower room was completely transformed! What a great blessing to have supporting churches that not only pray and give for the ministry here in France, but who also come to help.

unexpected, which has caused a delay in his return to the field.

We will be having several outreaches in the next months. Please be in prayer that God would draw the lost to Him through these efforts.

Traveling Mercies

What a blessing it was to visit with a supporting church in NJ and participate in a missions conference in VA in April. We were extremely blessed by our visit with both churches and saw their love for the lost not only where they serve, but also for missions around the world. We were able to see Melissa's family for two days and also one of my sisters for a couple of hours. What a joy it was to see everyone during this **12** day trip!
